

# The Runge Family Farm

## Hog Contract

We at The Runge Family Farm are looking forward to partnering with you to provide you with farm raised pork. We will raise your hog from weaning to butchering. We enjoy raising heritage breed hogs for you as they are a more marbled pork and very tasty. We use the services of local butchers in order to have your hog cut to your specifications. Just as you would raise your own we will require a purchasing fee (non-refundable deposit) and monthly payments until the hog is butchered in order to pay for feed, care, and the processing of your hog. The due dates for these payments will differ according to the time your hog is purchased for you. \$4.00/ lb for the hanging weight of your hog is our fee for the total purchase price of your finished hog. Hanging weight is generally about 72% of the animals live weight. Our hogs can range in weight from 250-325 lbs. live weight. Below are a sample payment schedule and a schedule we will fill in with you for your hog purchase. Thank you for purchasing local, family farm-raised pork!

Sample Payment Schedule:

**YOUR Payment Schedule:**
